THE TRANSIT SOLUTIONS CONCIERGE PROGRAM

Offers on-site visits to provide customized trip planning and transit fare strategies to your individual needs

Assists with saving you money from using Pre-Tax Transit Benefits

Provides updates on the latest regional service opportunities

Presents the latest transit apps and technological developments

Offers ideas for taking advantage of leisure activities using transit deals

Achieves all of the above...while reducing traffic and improving air-quality on Long Island!

To speak with our Transit Concierge about bringing this free program to your company, call (516) 242-8121.
